COMPANY PROFILE

PREAMBLE

Black Sheep Creations pty Ltd was founded in 2020 by an experienced printer and manager.

It is a full printing service company that specializes in digital printing, screen printing, embroidery printing, promotional gift item printing, lithography printing, clothing printing, signage printing, flags and labels, etc.

Throughout our operational years we have been the preferred printing service provider in South Africa and the Southern region due to our level of efficiency, our reliability, and most importantly, our quality service. Our main aim is to provide you with quality and reliable printing services. With 1 new branch with 4 months, we appreciate the support of our valued clients and we aspire to continue meeting their needs and demands.

VISION

To be a global leader in printing and branding services, our vision gives us a sense of direction and destiny. It captures our aspiration of being the best in everything we do. it is the basis of what we all stand for as a company. our vision together with our values guides the choices and decisions our employees take on a daily basis.

To meet the ever-growing demand for printing and technological advances using the latest equipment in order to meet and satisfy the needs of our clients.

To provide cheap and efficient printing services effectively.

OUR VALUES

We put our clients at the center of what we do.

We meet our clients' needs by providing world-class services, product performance and efficient support systems.

We listen and respond quickly to our clients' agreed details.

We actively seek feedback from our clients to confirm that we are indeed meeting and satisfying their needs.

We achieve excellence at all levels by keeping our standards high and moving with the current times.

We are open, honest, and deliver upon our word.

we value challenges and reward our workers.

We build our business on four main cardinal points: Trust, Integrity, Honour, and Respect.
